

Occupational & Environmental Health Network (**OEHN**)
and Environmental & Occupational Risk Management (**EORM**) cordially invite you to:

Environmental Health & Safety (EHS) Program: Elements of Success **“Getting Results & Demonstrating Value from Your Ergonomics Program”**

PRESENTERS:

- **Anthony N. DiIeso, OTR, CPE**
Senior EHS Consultant, EORM
- **Ben Zavitz, CPE**
Principle Consultant, EORM

When: Thursday, May 8, 2008

Where: Reservoir Place, Padanarum Room
1601 Trapelo Road, Waltham, MA 02451

Time: 7:30 AM – 9:00 AM
• Continental breakfast provided

RSVP by completing the registration form below and returning to:

Tanya Robinson – via FAX: 508.251.7265
or email information to: trobenson@oehn.net

At the completion of the program,
participants will be able to:

- Assess current state of an EHS program;
- Understand key compliance issues;
- Understand how to use facts and data to demonstrate value;
- Avoid common pitfalls when launching an ergonomic initiative;
- Achieve program sustainability using a systematic approach.

**This is a
Free Event**

All welcome at this event. This program is designed for Employee Health and Safety Managers, Practitioners, Human Resources Professional, and Occupational Health Specialists interested in expanding their knowledge base and expertise in Employee Health and Safety.
